

## Frostbite Game Changing Gloves

If you participate in the Frostbite Program, whether racing a boat, serving on Race Committee, or cheering on your favorite sailors, you should know about this Game Changer! Temres 282 insulated gloves. They will change your life. They will keep your hands warm. They will bring the smile back to your face. The only downside is that you will kick yourself for not finding them sooner. Get a pair. They will change your life.

There are many places to buy these insulated fisherman gloves. Search the internet. We used Hamilton Marine which is located in ME. They probably know a thing or two about cold up there. Plus they also have robust fishing fleets. <https://shop.hamiltonmarine.com/products/glove-showa-282-temres-insulated-50305.html>

These gloves are in the \$20 range. They will make it possible for you to trim the mainsheet and stay warm at the same time. They are insulated but still allow good dexterity. You are worth this small investment! This will change your life! And if you need even more reasons to buy a pair to make yourself happier, then insulated gloves are also excellent for holding cold beers after the races are over.
